

God's word to us in Christ burns like a fire,
Flaming through lies and all our will to power,
Turn to His Word and trust in what you hear -
Glory to God in Christ.

God's word to World in Christ brings no easy peace;
Hating our weasel words, our compromise,
Turn to His Word and trust in His Grace,
Glory to God in Christ.

God's word of life in Christ flashes like a sword,
Cutting through lies, the unforgiving word,
Turn to this Word and trust in the Lord -
Glory to God in Christ

God's word to all in Christ speaks to our time,
Calling a judgement on our many crimes,
Turn to His Word and trust in His Name -
Glory to God in Christ
